Your mission

Support our team in Frankfurt and work on exciting projects within the travel, transport and logistics industry:

- Maximize efficiency by analyzing, redesigning and / or defining the client's processes
- Evaluate data and define significant KPIs to set up reporting for different groups and level of stakeholder
- Track the status of the project and regularly present it to the team and / or steering board
- Implement new solutions after evaluating the stakeholders' requirements
- Drive our clients' transformation and digitalization
- Be responsible for your own work packages within your projects
- Develop concepts and strategies in collaboration with our clients
- Execute workshops with our clients to understand their needs
- Dive into operational processes and show a hands-on mentality
- Strive for high quality and contribute to the success of the project
- Attend internal and external trainings and events
- Participate in internal study groups and share industry know-how
- Be creative and willing to define new innovative offers

What you can expect

Be part of a great team that is passionate about the travel, transport and logistics industry. M2P offers a dynamic atmosphere, collegial culture, and partner-track careers. We do not only provide the opportunity to work on leading edge initiatives with our clients, but the opportunity to contribute to and steer the development of our firm. With M2P, professionals expand on their existing knowledge, skills, and experience no matter where they are in their career.
